# CHECK IT & FORGET IT!

Join over 5,000 MWSD customers that trust us to draft their bank accounts each month!

Your bank account will be automatically drafted each month on the due date. A form is also available if you need to change or terminate your bank draft.

You will continue to receive a copy of the bill every month, so you will know exactly what will be drafted and have time to call if you have any questions or issues.

We recommend entering the amount into your check register when you receive your bill. The payment will then be deducted from your bank acct each month on the due date.
